AGREEMENT NO. 775-77-S

16A 77-07 ADOT

RECEIVED

SEP 2 1977

STRUCTURES SECTION

THIS AGREEMENT made and entered into this 8th day of August, 1977, pursuant to Arizona Revised Statutes, Subsections 11-951 through 11-954, by and between the Arizona Department of Transportation, an agency of the State of Arizona, hereinafter designated "ADOT", and the Department of Transportation, State of California, a "public agency" as defined by Arizona Revised Statute Subsection 11-951, hereinafter called "CALTRANS".

WITNESSETH:

RECITALS:

WHEREAS, the County of San Bernardino and the City of Needles, California and the County of Mohave, Arizona, have entered into an agreement naming the County of San Bernardino as the lead agency to advertise, award, and administer a contract for the construction of a new bridge and approaches and removal of the present bridge at the Colorado River, near Needles.

WHEREAS, federal funds have been allocated to defray a portion of the cost of said construction (including construction engineering) by ADOT and CALTRANS.

WHEREAS, federal requirements have been met and federal approval has been given to proceed with said construction.

AGREEMENT:

1. CALTRANS will submit bid information to ADOT for concurrence in award

of contract. ADOT will incur no obligation under this agreement until such concurrence has been given.

2. ADOT's participation in the construction of said project shall be limited to \$491,037.00 of bridge replacement funds allocated by the Federal Highway Administration. Should for any reason project costs increase so that ADOT's pro rata share may be greater than \$491,037.00, CALTRANS shall secure written approval of ADOT to cover its share of the excess costs prior to incurring such costs.

3. ADOT's concurrence in the award of contract shall be considered tentative until such time as the contractor to whom the award of contract is made fully establishes that he is duly licensed as a contractor in the State of Arizona. It is further agreed that said contractor shall not perform any work in the State of Arizona until such contractor's license has been obtained. (Contractor's Licenses are handled by the Arizona Registrar of Contractors, 1818 West Adams, Phoenix, Arizona, 85007.)

4. ADOT shall promptly reimburse CALTRANS, upon receipt of approved progress billings from CALTRANS covering San Bernardino County's monthly progress billings.

5. The books, papers, records and accounts of the parties hereto, insofar as they relate to the items of expense, labor, materials, or are in any way connected with work herein contemplated, shall, at all reasonable times, be open to inspection and audit by agents and the authorized representative of the parties hereto and the Federal Highway Administration, for a period not to exceed three years from the final payment.

6. Attached hereto is authenticated copies of the resolutions of ADOT and CALTRANS authorizing said entities to enter into the agreement, along with a written determination by their respective counsel, that this agreement is in proper

form and is within the powers and authority granted to "ADOT" and "CALTRANS".

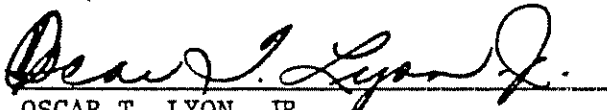

7. This agreement shall be filed with the Arizona Secretary of State and shall become effective upon such filing.

8. This agreement shall remain in full force and effect until the construction work herein embraced has been completed in accordance with the terms of the construction contract or until earlier terminated by mutual agreement of ADOT and CALTRANS.

IN WITNESS WHEREOF, the parties have caused this agreement to be executed in duplicate and attested by their proper officers thereunto duly authorized and their official seals to be hereto affixed as of the day and year first above written.

RESOLUTION

BE IT RESOLVED on this 26th day of July, 1977,
that I, W. A. Ordway, Director of the Arizona Department of Transportation,
have determined that pursuant to A.R.S. § 28-108, it is in the best interest
of the State of Arizona, that the Department of Transportation, enter into
this agreement with the State of California, Department of Transportation,
for replacement of the Colorado River Bridge near Needles.

DATED this 26th day of July, 1977.

W. A. ORDWAY, Director
Department of Transportation

RESOLUTION NO. 92-174

WHEREAS, the Board of Supervisors of Mohave County met in Special Session this 20th day of May, 1992, and;

WHEREAS, the Mohave County Board of Supervisors and the Arizona Department of Transportation are interested in keeping efficient state and local access available to the communities along the Colorado River; and

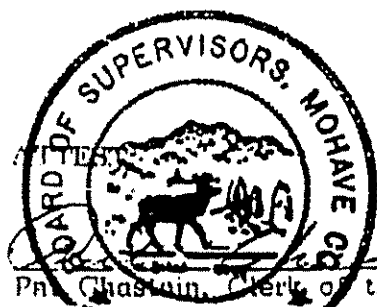

WHEREAS, all interested parties are still committed to solving the right-of-way issues on existing State Route 95 through the Fort Mohave Indian Reservation; and

WHEREAS, the Arizona Department of Transportation has proposed to accept the 1.2 mile section of Harbor Avenue between State Route 95 and the Needles Bridge onto the State Highway System;

NOW, THEREFORE, BE IT RESOLVED THAT, if all right-of-way issues on State Route 95 are successfully resolved, and the state accepts the 1.2 mile section, of Harbor Avenue including the Needles Bridge and any additional cost of the El Rodeo Drainage Structure above the cost of the existing agreement between Mohave County and ADOT, as a state highway, that the Mohave County Board of Supervisors commits to accept as a county road the 16 mile portion of existing State Route 95 from Harbor Avenue south to its junction with Interstate 40.

PASSED, APPROVED AND ADOPTED this 20th day of May, 1992.
